Neighbourhood Development Plan

We are delighted to report that the £50 has been sent to the four lucky winners following the Neighbourhood Development Plan Prize Draw. Winners included:

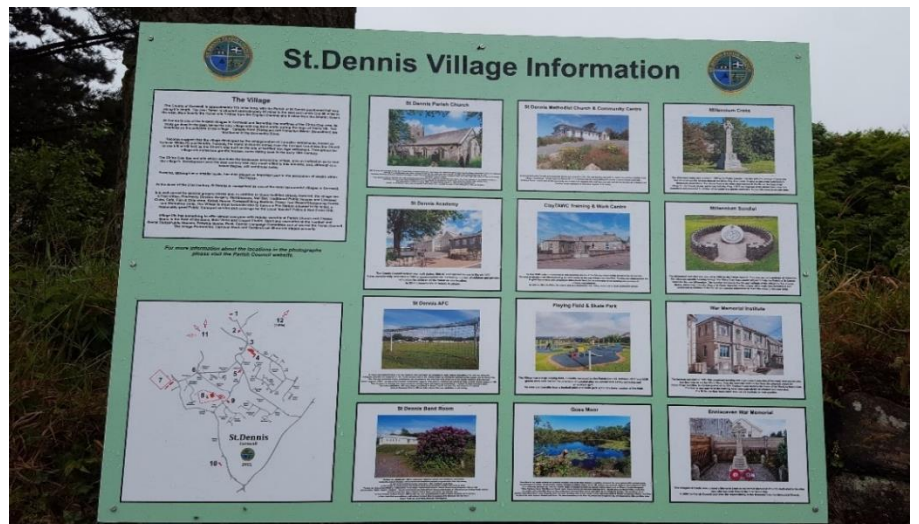

- Mr & Mrs Offord
- Mr & Mrs Wooding
- Mrs Geach.

Well done to everyone.

Parish Noticeboards

The Parish Council has installed three updated information boards to reflect the changes in the Parish since the millennium boards were installed. These are located at St Denys Church, outside Clays Kitchen in Fore Street and in Robartes Road (next to the bus shelter).

We hope the new boards will benefit both residents and visitors to the area in outlining the history of the Parish and the many amenities and facilities located around the area.

Bus Shelters

Due to age and vandalism the perspex has now been replaced at some bus shelters to give them a bit of a face lift. This is phase one of the revamp. The Parish Council will be looking to get the structures repainted in the future to complete the facelift.

Education Bursary Scheme.

Over the past six months we have helped residents doing courses such as plumbing, childcare, nursing, creative media and education. Awarding grants to cover items such as laptops, printer, training courses and travel costs. Comment from a successful applicant: *Thank you for the education grant to purchase a laptop for our child. It means so much that we can offer her the opportunity to complete her homework and studies within our home.*

This grant scheme is accessible to people of all ages that are in education and training. For further information or an application form go to: <https://stdennisparishcouncil.org.uk/education-bursary-scheme/>

Welcome: We would like to welcome to David Dale to our team. David will be working alongside our casual staff.
